

Welcome to Praksis

Praksis is an intelligent web application designed to revolutionize the way educators and students create, manage, and attempt practice tests.

By leveraging AI, it simplifies the process of generating question papers and provides a seamless experience to perform tests.

Personalized learning paths for every student

Your AI Learning Companion

Learn Smarter

Transform how you learn with intelligent practice tests and insights

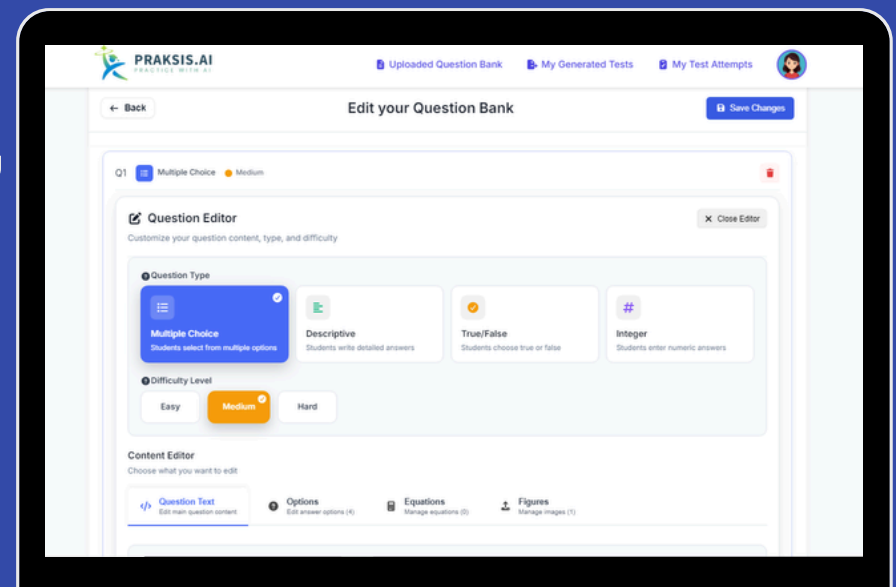

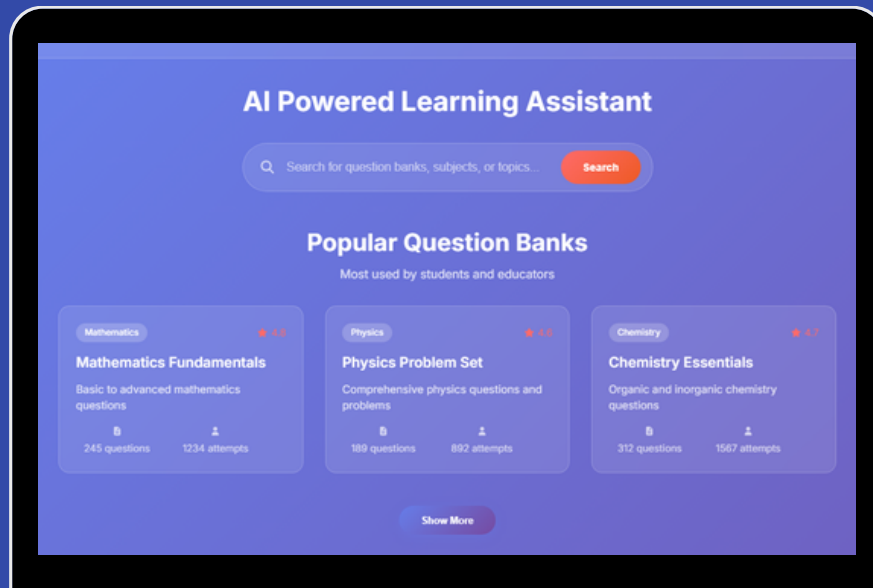

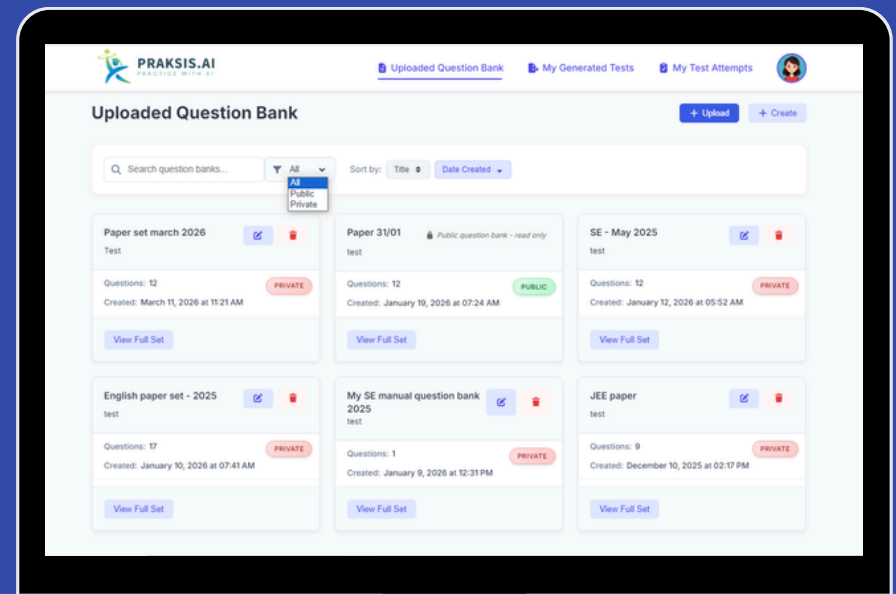

Powered by JyotiTechnosoft LLP

View and manage uploaded question banks in one place.

Manage and access all your question banks from one powerful dashboard.

Quick search, organize, and easy to use.

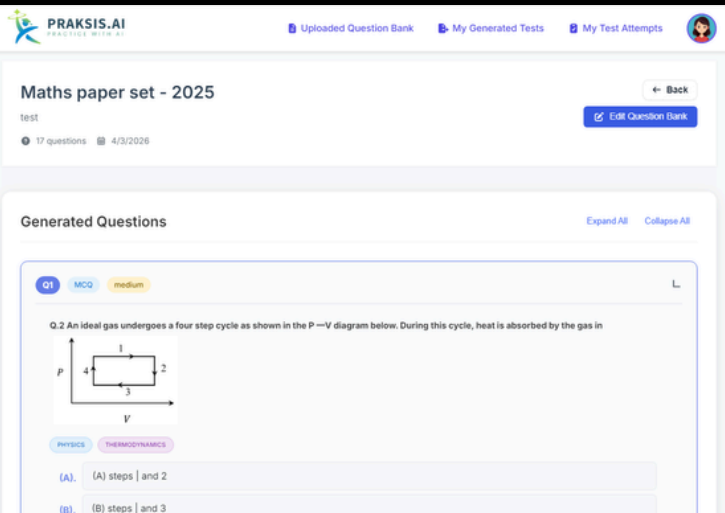

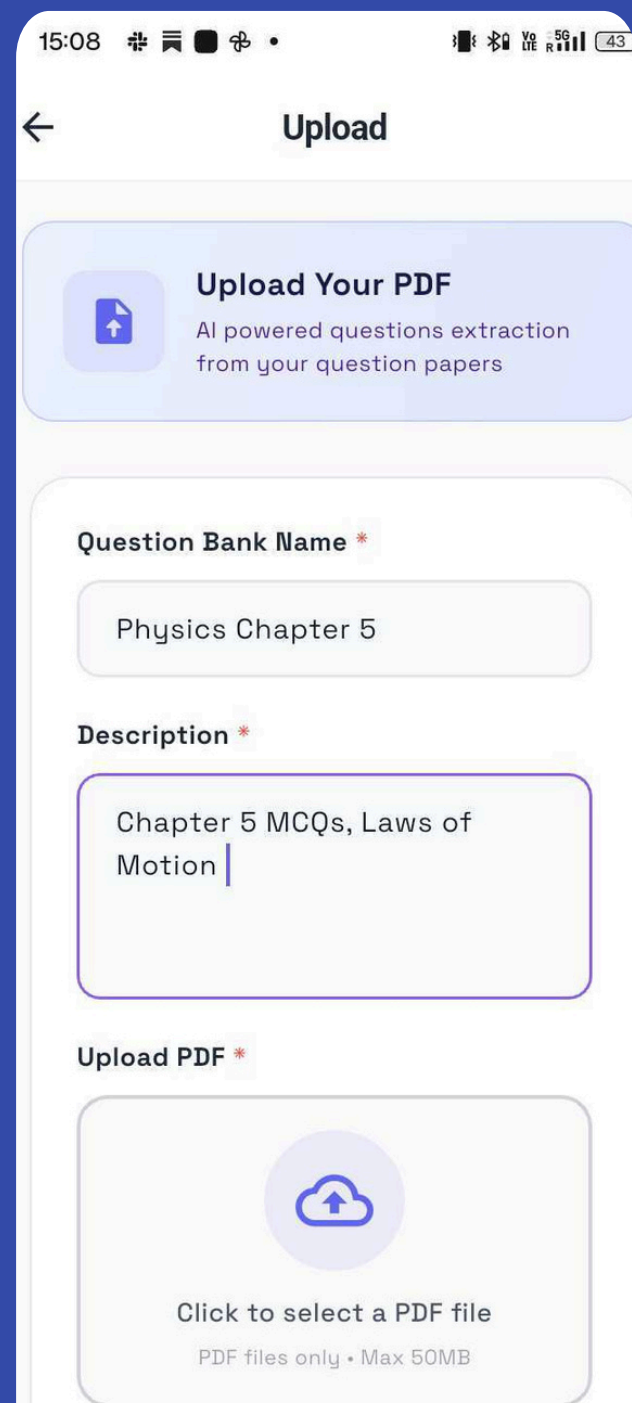

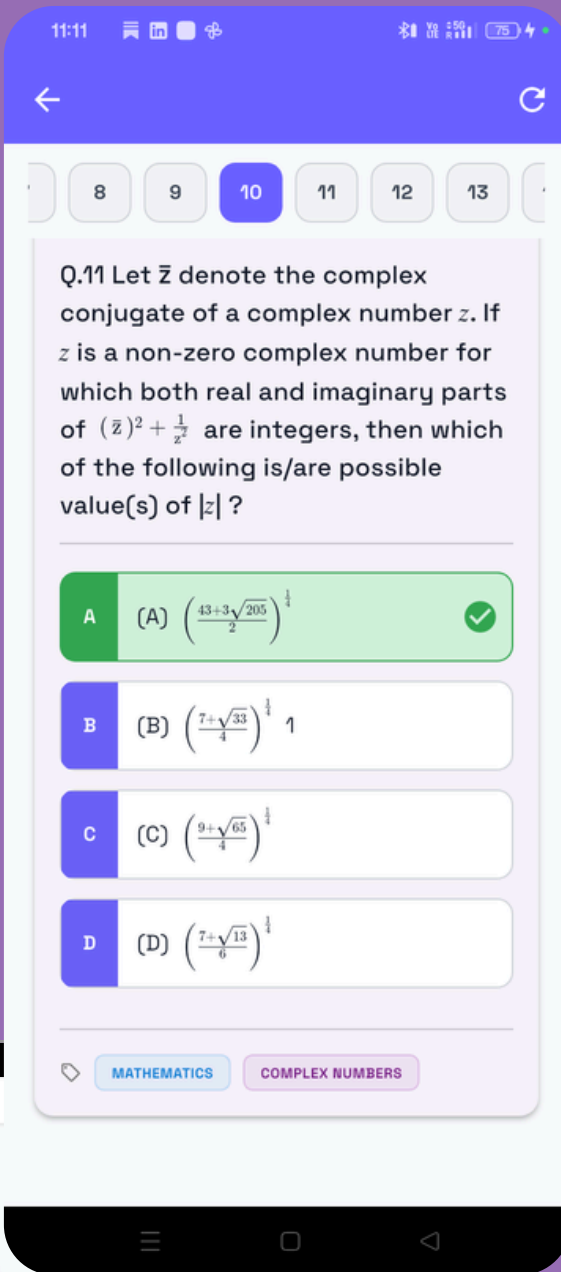

Upload Questions

Transform your PDFs into ready-to-use question banks in seconds with intelligent AI processing.

View & Edit

Easily browse, refine, and organize your questions with full control over titles, options, and content—all in one seamless experience.
